"Look for the Light of God's Tender Mercies"

[May 1, 2022- #4833 Music & the Spoken Word \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

As a wise and loving Father, God finds countless ways – large and small, grand and mundane – to express His love and caring. If we look with the eye of faith, we can see His divine signature written on many moments of our lives.

In a busy intersection, a woman's car stalled. Kind travelers a few cars back got out to help push her car to the side of the road, where they could jump-start the battery. That was a tender mercy.

A teenage girl moved into a new neighborhood; her parents earnestly prayed she'd make good friends. The night before the first day at her new school, a neighbor girl texted and told her she'd save her a seat in the lunchroom. That was a tender mercy.

An older man with a grim diagnosis received a phone call from his granddaughter just when he needed it most. That was a tender mercy.

God is most generous with His tender mercies during our hardest times – when we need them the most. Tender mercies rarely erase a difficulty, but they change the way we look at them. They open our hearts to the Lord’s quiet reassurances, comfort and support. They open our eyes to see that God was never very far away.

Judy Note: After over twenty years of planning, the Global Currency Reset finally rolled out on **Sun. 1 May**.

Meanwhile, former FBI director James Comey was set to be exposed as a traitor and US Inc. was officially bankrupt, causing Central Banks across the Globe to shut down and throwing the Euro on its death bed. That included the Deep State Deutsche Bank, which recently predicted a massive recession by Summer since this Deep State bank was on the verge of collapse for a second time – with no way out.

While the World Health Organization continued to promote mass mental illness through a vaccination story built on deception and mass murder, Putin was rescuing thousands of tortured children from the Deep State Underground Tunnel Bio-weapon Headquarters of Ukraine – that ran under Biden-owned property.

Putting on hold, at least for a while, charges against Biden for:

- Trafficking children and weapons in Ukraine where the Deep State created biological weapons that slaughtered millions,
- Supported the Nazi SS CIA killing of children in Donbass by the Ukrainian army since 2014 – the main reason Putin invaded Ukraine in a de-Nazification and de-Militarization operation
- Made millions of dollars in personal treasonous deals with China
- Willfully deprived the US population of our right to Free Speech as protected by the US Constitution by creating the Disinformation Governance Board

The so-called US President was likely to at least be charged with Treason for deliberately creating global food shortages. **Yesterday Sun. 1 May**, the White Hats arrested Biden's Secretary of Agriculture, Thomas J. Vilsack, for a calculated destruction of a dozen agricultural processing facilities across the US.

And, people were complaining to me that nothing's going on.

- **Biden likely to be charged with Treason for deliberately creating food shortages across the world, including high grocery prices**, after the White Hats arrested and charged with Treason, his Secretary of Agriculture, Thomas J. Vilsack. Evidently they

have connected Vilsack to the calculated destruction of a dozen agricultural processing facilities across the United States in the last few months.

- **The new Starlink Satellite System was much more than Internet** –it controlled the Quantum Financial System including the rollout of NESARA/GESARA, plus acted as a Military Particle Beam Weapon with the ability to control the World Grid.
- **The Ukraine War was** bankrupting the Deep State.
- **The US Corporation was already bankrupt, causing** Central Banks across the Globe, along with the US Congress, White House, IRS, Feds and Federal Reserve to be or were in the process of shutting down.
- **With the Global Currency Reset officially rolled out on Sun. 1 May**, we expected **Tier 4B** (us, the Internet Group) to be notified to set redemption/exchange appointments **on Tues. 3 May or by late morning Wed. 4 May** to start appointments on **Wed. 4 May or Thurs. 5 May**, according to Bruce.

B. Thurs. 28 April Fleming:

- **“Sunday 1 May 2022 rings in a new currency for the world**, freeing major trade from the fixed/manipulated/slavery and debt-creating-trade system of the Rothschild USD/EU Empire.
- **“Money laundering** officially ends in every Nation State.
- **“Disclosure** promises to be front and center.
- **“Those who were thought to be dead, resurrected** (from Witness Protection).
- **“Media finally set free from the Mockingbird**-chock-hold restraints that it's been under for 50 years, allowing journalists to once again do their jobs.
- **“Law and Order restored** all over the world.
- **“Debts wiped from an unlawful System**, thanks to the State-Managed Restoration of Sovereignty to every national and the return of stolen quadrillions of dollars – To the People.
- **“This great Shift has been in motion for decades**, and longer. We are witnesses. We are here to provide testimony. And, like the fallen at Texas' Alamo, We Will Never Forget.”

C. Thurs. 28 April 2022 The Big Call, Bruce: Thebigcall.net 667-770-1866 pin123456# Judy Note: The below is my interpretation of what Bruce reported about Zim Redemption:

- **If you have a specific Humanitarian Project** you are funding your Zim would redeem at a 1:1 to the US Dollar.
- **If you don't have a specific Humanitarian Project** to fund you will be given the Zim default rate.
- **Your Zim redemption amount will be put in a digital Mother Lode Account** in the QFS that only you had access to.
- **If you have a large amount of monies from the Zim Default rate** it may be placed on a long term payout. You would earn interest on the monies left in your account during that long term payout. You would work out your interest rate with the bank.
- **If you have a specific Humanitarian Project you will NOT have a long term payout.** Instead, 10% of your Zim redemption amount will be taken out of your Mother Lode Account and put in a working account in a bank of your choice.
- **You determine with the bank of your choice the interest rate** you would receive on that 10% of your Zim redemption that has been transferred to your working account. That rate could be anywhere from 6 ½% to 10%.
- **Your Humanitarian Project would be funded out of the interest** you receive out of your working account.
- **If you have a Humanitarian Project 10% of the interest** you receive out of that working account would be designated for your personal use.

E. Biden Crime:

- “**Section 242 of Title 18** makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States.
- **Biden and his administration has willfully deprived the US population of our right to Free Speech as protected by the US Constitution** by creating the Disinformation Governance Board and has willfully deprived millions of their basic right to Freedom by trafficking humans and weapons, plus creating biological weapons that slaughter millions.
- **Biden has supported, even likely participated in the Nazi SS CIA killing of children** in Donbass by the Ukrainian army since 2014 – the main reason Putin invaded Ukraine in a de-Nazification and de-Militarization operation supported by the White Hats. The Western media did not write or film anything about these children for eight years. Ask yourself: Why? Why is it considered "ok" by the West for these innocent children to be murdered? How are they any different than other kids?

<https://t.me/SpecialQForces/17999>

F. Global Economic Crisis:

- **Volodin stated that up to \$500 billion worth of Western assets were blocked on the territory of the Russian Federation**, which counterbalances the \$300 billion of Russian reserves blocked in the West. In the event of the confiscation of the property of Russian oligarchs in the West, Russia will begin to confiscate the property of Western businesses in Russia.
- **Crypto Currencies** backed by gold/metal were the new currencies available under GESARA.
- **Sovereign Gold Bonds** have gone online.

G. Global Food, Fuel and Goods Shortages:

- **Pain is real, food shortages are coming, energy is in short supply** Poland and Bulgaria have already had their energy cut off by Russia. The Euro is dying, Deutsche Bank who are predicting a massive recession, are possibly on the verge of another collapse. James Comey the Former FBI director dismissed by Trump, is going to be exposed as a traitor.”
...Charlie Ward Fri. 29 April
- **Bulgarian President Rumen Radev is outraged that Bulgaria and Poland were deprived of Russian gas**, while Germany and Austria continue to receive it - Bulgarian newspaper Dnevnik. In Bulgaria, after the suspension of gas supplies from Russia, a large-scale political crisis began. Former Bulgarian Prime Minister Boyko Borisov said

that the Cabinet of Ministers deliberately dragged the country into this problem in order to launder money through intermediaries.

H. Fri. 29 April Military Arrests Biden's Sec. of Agriculture Tom Vilsack, Michael Baxter: <https://realrawnews.com/2022/04/military-arrests-bidens-sec-of-agriculture-tom-vilsack/>

- **On Tues. 26 April the White Hats arrested** the criminal Biden regime's secretary of agriculture, Thomas J. Vilsack, after connecting him to the calculated destruction of a dozen agricultural processing facilities across the United States, JAG sources told Real Raw News.
- **Back on March 24, marionette Joseph R. Biden made a shocking statement on national news. Muttered he, "With regard to food shortage, yes we did talk about food shortages, and it's gonna be real,"** in response to concerns about empty grocery store shelves and rising inflation. He pinned the blame on the usual suspect, Vladimir Putin, but also may have inadvertently telegraphed his administration's goals of bankrupting and starving the American populace.
- **Within hours of Biden's clairvoyant proclamation, a series of inexplicable 'accidents' began plaguing food processing plants** throughout the country.
- **On March 24, a potato factory in Belfast, Maine,** burned to the ground. Although officials said the fire was started by a large fryolator machine, line workers at Penobscot McCrum said the enormous vat fryers were disabled for routine maintenance when the blaze began.
- **On March 25, a mysterious fire razed the Maricopa Food Pantry** in Maricopa County, Arizona, taking with it 50,000 pounds of staples. As of this writing, the Maricopa County Fire Department has yet to determine what caused the fire.
- **On March 31, a massive structural fire consumed the largest fresh onion** packing facility in South Texas. A family-run business, Rio Fresh Inc. supplied fresh produce to grocery stores like Kroger's, Aldi, Tom Thumb, and H-E-B. The conflagration put 300 people out of work and destroyed an estimated 100 truckloads of onions.
- **On April 12, a raging inferno engulfed the East Conway Beef & Pork plant** in New Hampshire. According to owner Darrell Robinson, the fire, which is still under investigation, "destroyed tens of thousands of pounds of beef and pork and killed livestock."
- **The above examples are emblematic of an issue** that transcends mere conspiracy theory; the callous, gradual annihilation of America's food chain. Since March 24, astute observers have catalogued 15 such incidents, none of which were covered by the MSM.
- **The U.S. Navy Judge Advocate General's Corps took interest in the bizarre fires only after being contacted by an FBI whistleblower on April 21.**
- **This was the same day** a light commuter plane, a Cessna A340, nosedived into a General Mills plant in Covington, Georgia, killing the alleged occupants, a student-pilot and his CFI. Although the National Transportation Safety Board said the owner of the

plane was doing flight training when the plane took a nosedive, the whistleblower claimed the FBI, not the NTSB, authored the accident report after usurping investigative authority from the NTSB's regional go-team. This transfer of power should occur only if the NTSB suspects a crime and requests FBI aid. But in this case, the NTSB did not suspect a crime, did not request FBI help, and was shut out of the investigation within an hour of the crash. Typically, a thorough accident report takes weeks or months to compile, but the FBI had the answers at its fingertips in mere hours.

- **Furthermore, the whistleblower claimed that the FBI had “speciously falsified” the accident report,** and in doing so removed a crucial “Smoking Gun” fact that shreds to pieces the official account. The plane had no occupants. It was remote controlled.
- **Additionally, the informant said he knew who had orchestrated the crash, as well as the previously mentioned food factory fires.** He named Secretary of Agriculture Thomas J. Vilsack and had paperwork to support his claim.
- **“We’re hesitant to believe anything coming out of the FBI, even from a so-called whistleblower.** White Hats don’t trust the Justice Department; they’re Deep State. They are masters of deception and disinformation. So, our investigators independently verify everything, and I mean everything. I can’t discuss specifics on the plane, but we confirmed it was pilotless when it hit the General Mills facility. This gave us reason to authenticate some of Vilsack’s email correspondence given to us by the informant,” a JAG source told Real Raw News.
- **An email sent from Vilsack to Secretary of Commerce Gina Raimondo, dated 13 April 2022, read,** “Small, isolated events won’t get coverage but will have an immense impact on inflation. People shouldn’t bitch about paying higher prices, they have too much food as is. A little combustion isn’t a bad thing.”
- **Two days later, Vilsack sent her a second email:** “How does the saying go? When he says jump, we ask, ‘how high.’ Aviation accidents happen all the time, doesn’t have to be 767s or 757s.”
- **A third email, written on 16 April,** said, “The best way to conceal a crime is to hide it amid other seemingly unrelated crimes.”
- **JAG’s associates at U.S. Army Cyber Command,** Fort Gordon, confirmed the emails had been sent from Vilsack’s government email account. “Under authority of the Insurrection Act of 1807, it was felt this was enough evidence to pick him up on charges of treason. JAG drafted a military arrest warrant in his name.”
- **Vilsack, the former Governor of Iowa and, prior to that, the longest serving member of Hussein Obama’s original cabinet,** was on April 26 taken into custody by JAG investigators at his home in Mount Pleasant, Iowa. “He will be processed and made to answer before a military tribunal,” our source said.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

R. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

S. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
